The cost of playing organized sports in St. Lucie County can run upwards of $1,500.00 or more per year. Teams that travel can incur costs from $10,000.00 to $15,000.00. We would like to offer some low-cost advertising for your business and partner with you helping young kids in our community play soccer.

The PSL Soccer Club Competitive teams play all over the State in various levels of Competition and Tournaments. Your tax-deductible donation will help a player with the associated fees to play as well as help the team in participating with League and Tournament expenses. We have three (3) levels of sponsorships for you, you can give more or less if you want, but we have a basic format that you will find to be the easiest way to get your business noticed in the community. Please take the opportunity to look at our Sponsor form and don't forget to include your business card or jpeg file of your logo so we can optimize your ability to be seen by hundreds of people that come to our fields for games or traveling around the Treasure Coast.

We truly appreciate you becoming a business partner with us, and we thank you in advance for your willingness to participate and help the kids. Please contact us if you would like to set up a vendor display or showcase your products during our games, we can have literature that you prepare available for people to receive when they frequent our fields at Swan Park. Our goal is to not only help the kids reach their goals but help you bring in more valued customers to your business.
